

Evacuation Checklist

If you are told to leave the area, use this checklist to be sure that you evacuate properly.

- Leave immediately. Do not stop to pack. Take only things you really need, like medications.
- Turn off appliances.
- Put pets in a secure place with food and water.
- Lock your doors and windows.
- You may be informed of a special shelter location designated by emergency personnel.
 - If not, go to a location at least 2 miles away from the emergency incident.
 - It is important that you identify potential locations in ADVANCE. (See planning map.)
- Stay in this location and listen to a local TV or radio station for further instructions.
