

Neighborhood Design Update Meeting**6/4/2007**

The design process for the Consolidated Human Services Complex at 121 Franklin SE is continuing and you are invited to see for yourself how the plans are developing at a design update on **Tuesday, June 5**. At this meeting, Design Plus will present the preliminary sketches they have developed with consideration from neighborhood and building tenant input of previous meetings. You will have the opportunity to tell county staff and project architects what you think of the designs so far.

This is your neighborhood, be a part of its design.

Where: The Sheldon Complex
