

The design process for the Consolidated Human Services Complex at 121 Franklin SE is finished and we are moving into the construction phase. You are invited to review the final building design and learn about the next steps for starting construction at a neighborhood meeting on **Tuesday, September 25**.

This is your neighborhood, be a part of its design.

Where: The Sheldon Complex
121 Franklin SE

When: September 25, 2007
6:00 p.m.
