

2006-2007 Recipients of the Public Health Guardian Award for Excellence in Disease Reporting

Schools, daycare centers, and camps are required to report communicable diseases to their local health department each week. Schools were awarded with a framed certificate of excellence if they reported at least 30 out of 38 weeks in the 2006-2007 school year. Thank you for contributing to health promotion and disease prevention in Kent County!
