PROJECT CONDITIONS

1. A **PERMIT FEE** in the amount of \$50.00 must accompany the application. This fee does not guarantee a permit. Make checks payable to KENT COUNTY DRAIN COMMISSION.
2. The crossing/connection/relocation shall be constructed at the location, elevation, and manner shown on the drawing attached hereto, which is, hereby, made a part of this agreement.
3. All work done in connection with said construction shall be done in a good and workmanlike manner, and said drain shall be left in a good condition. Upon the completion of said construction, the contour shall be, as near as possible, the same as that which existed prior to the start of construction.
4. Care shall be exercised such that the drain shall be maintained and left unobstructed during construction so as to prevent the backing up of water which would cause flooding of adjacent land.
5. The applicant agrees to assume all liability for any loss or damage sustained by any person or property as a result of the operations performed under this permit. Further, the applicant agrees to repair any damage to said drain the cause of which might be the result of the construction herein described.
6. The applicant agrees that within 30 days after completion of the work described herein, the applicant will deliver to the Drain Commissioner a certificate stating that the work has been performed in accordance with the terms thereof.
7. The applicant agrees to notify the Drain Commissioner when the work described herein will commence so an inspector may be present, if necessary.

I certify, as applicant, I am the legal owner of the property for which this permit will serve/or I am the owner's authorized agent.
