Q. Are cards issued for the vision plan?

A. No, cards are not issued for the vision plan. However, our vision carrier, VSP, provides you the opportunity to print a card from its website, www.vsp.com. Just log-in or create a user name and follow the instructions to print a card. While you are there, you can review your and your dependents' benefit status and read informative articles regarding your vision.

Q. Are cards issued for the dental plan?

A. Yes, cards are issued for the dental plan. Varipro (formerly PBS) has partnered with Aetna to offer discounts on services to employees. Effective January 1, 2017, employees who use an in-network dental provider will receive services at a discounted rate. This means that employees will be able to stretch their annual cap a little further! For more details on how to find out if your current dentist participates in the network, or to find a new in-network dentist, go to How to [Find an In-Network Dentist](#).

Q. How do I use the Dental Plan?

A. The **Dental Plan** is administered by Varipro, Inc. You may select the dental care provider(s) of your choice. If you choose an in-network provider, discounts for services will be applied. The provider will be paid directly for eligible dental services they provide to you and your eligible dependents. Your provider will directly bill Varipro. You may give the below listed address to your dental provider:

County of Kent Dental Plan
c/o Varipro, Inc.
5300 Patterson Ave. SE, Ste. 150 Grand
Rapids, MI 49512

Q. How do I use the Vision Plan?

A. The **Vision Plan** is administered by Vision Service Plan (VSP). Services are covered through physicians on the preferred provider list (available at vsp.com). Benefit information is available on the internet www.accessKent.com/Benefits.
