## TREATMENT AND SUPPORT COURT (TASC)

#### WHAT is TASC?

TASC is a specialty court to improve the functioning of individuals with a mental illness, who because of their illness, and possible co-occurring substance abuse, come into contact with the criminal justice system. For more information go to <a href="https://www.accesskent.com/Courts/17thcc/tasc.htm">https://www.accesskent.com/Courts/17thcc/tasc.htm</a>.

### **HOW DO I GET INTO TASC?**

Consult with your attorney so they can assist you in determining if TASC is right for you, and if so, they can refer you for consideration. You can also fill the referral out yourself and send it to <a href="mailto:teri.clark@kentcountymi.gov">teri.clark@kentcountymi.gov</a>. If you are in the Kent County jail, the AOT, mental health team can assist you and send me your completed referral form on your behalf.

## THE TASC APPROACH

**Regular Court Reviews.** The first 4 weeks are weekly, then 2 times a month on phase 1 and 2, then monthly on phases 3, 4 and 5.

Treatment is ordered for the entire time candidate is in TASC.

**Regular Drug Testing.** 3 times a week to start then decreasing to 2 or 1 time a week depending on phase, history of abuse, and drug test results.

Intensive program monitoring and service coordination by TASC Team (Clinical Liaison and Probation Officer). You might also be monitored with a GPS phone app or ankle bracelet.

**ELIGIBILITY CRITERIA** You must be a resident of Kent County and meet both the legal and clinical eligibility criteria. Those that meet both the legal and mental health criteria, and have been diagnosed with a substance use disorder, are welcome to submit a referral.

- Legal eligibility is determined on a case by case basis by the Kent County Prosecutor's Office. Your current charges and prior criminal history will be considered. If you have a past or current Criminal Sexual Conduct (CSC) charge or a violent crime that resulted in death or serious bodily harm, you are NOT by Michigan law eligible to participate.
- Mental Health eligibility is determined by a review of clinical records and a mental health screen conducted by the TASC Clinical Liaison. You are encouraged to provide historical or current clinical reports. Those with a mental health diagnosis that moderately or seriously impairs daily functioning are eligible for participation.

| A Substance Use Disorder occurs when the recurrent use of alcohol and/or drugs of significant impairment, including health problems, disability, and failure to meet work, school, or home. |  |
