

# APPENDIX L

## ACKNOWLEDGEMENT

The Buck and Plaster Creek Watershed Study performed by Camp, Dresser & Mckee is the basis for these technical specifications. The Kent County Drain Commission does therefor, acknowledge and express its gratitude to Camp, Dresser & Mckee and the Buck and Plaster Creek Technical Review Committee for their contributions to this document. The members of the Technical Review Committee are:

Gerald Snyder, P.E.	Public Works Director	City of Wyoming
Gordon Start, P.E.	City Engineer	City of Kentwood
Randy Lehmoine, P.E.	Engineer	City of Grand Rapids
Les Nederveld, P.E.	Engineer	Prein & Newhof
W. David Boehm	City Manager	City of Grandville
Mark TenBroek, P.E.	Engineer	Camp, Dresser & McKee

We would also like to acknowledge the contribution of the professionals we work with every day and thank your cooperation and support. Especially the following persons for their contribution in developing these regulations:

Louis Saldivia, P.E.	Engineer	Michigan Department of Environmental Quality
Leo VanderHorst, P.E.	Engineer	VanderHorst & Assoc.
Neil Sharp	Project Coordinator	Exxel Engineering, Inc.
Michael D. Kopinski	Title Officer	First American Title Insurance Company

And last but not least, a very special thanks goes to Richard L. Connell, P.E. of the Drain Commission Staff. Richard was the primary author of this report. He was assisted by Dan Vos an Engineering Aide and Senior Engineering Student at Calvin College.

On January 1, 2003, a significant portion of the drainage rules was updated. This update incorporated design criteria for infiltration basins, provided continuity between the rules and the Proposed Model Storm Water Ordinance for Kent County Townships and Municipalities, improved design criteria, and incorporated Bulletin 71 rainfall into detention storage tables. Several other minor updates were also implemented. The

drainage rules update for January 2003 was the result of several meetings with consultants and governmental personnel. This task force included:

Bradley R. Boomstra	Engineer/Chair	Kent County Drain Commission
Angie Latvaitis	Engineer	Kent County Drain Commission
Scott Conners, P.E.	Engineer	City of Walker
Dennis Cole, P.E.	Engineer	Prein & Newhof
Arden Postma, P.E.	Engineer	Nederveld & Associates
James Smalligan, P.E.	Engineer	Fishbeck, Thompson, Carr & Huber
Nichol Stout	Research Associate	Grand Valley State University – Annis Water Resource Institute
Todd Stuve, P.E.	Engineer	Exxel Engineering

We would like to acknowledge the contribution of these professionals we work with every day and thank them for their cooperation and support.
