Dear Property Owner,

You have received this notice because you own property within the Drainage District of the Bundy Drain. The Bundy Drain is a combined open channel and closed storm sewer system which serves properties within Lowell Township by collecting the storm water runoff from properties and roads within the drainage district.

In December 2020, our office and Lowell Township provided the residents within the District with a Special Township Hall Meeting to discuss the repairs of the collapsed drain. This repair was completed under an emergency declaration and a final inspection of the work was completed on March 31, 2021.

The Day of Review of Apportionment and Day of Review of Boundary is an opportunity for property owners within the district to review their apportionment of costs of the project. Costs for maintenance are not provided by other means such as regular property taxes; we must assess the costs for maintenance to the property owners and governmental units within the District. At this time, please review your apportionment percentage and estimated annual assessments. The Special Assessment will be placed on your Winter Tax Bill starting in 2021.

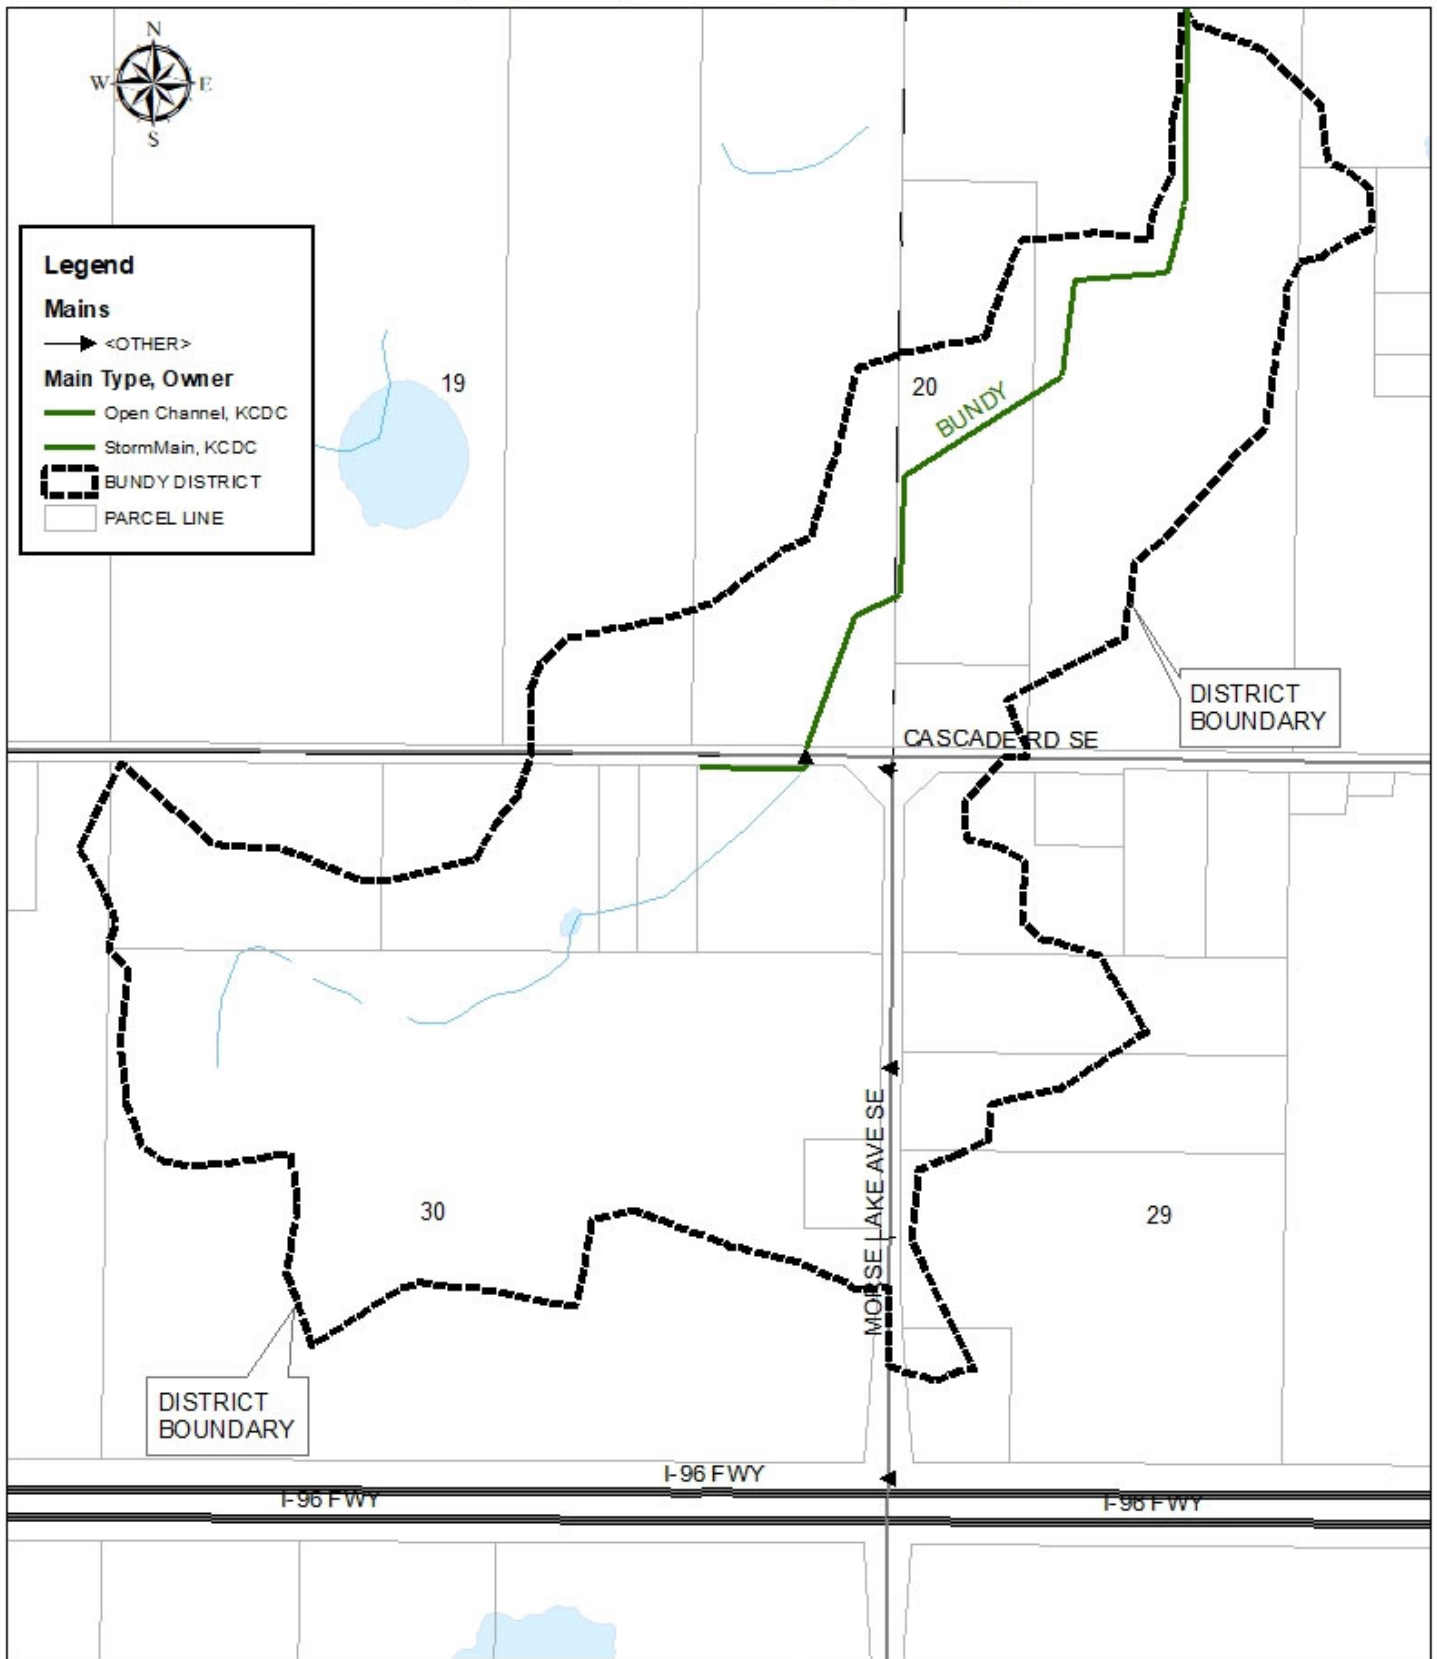

If you have any questions about this notice, please see the Frequently Asked Question brochure or contact our office at (616) 632-7910 or reply by e-mail to [drinfo@kentcountymi.gov](mailto:drinfo@kentcountymi.gov) .
