

On 2/7/2016 at 9:50pm three males attempted to buy an excessive amount of gift cards at Wendy's restaurant at Kalamazoo Ave & Marketplace. Management advised that a store in Kalamazoo, MI is out \$1,000 and a store in the City of Kentwood is out \$500. It is believed that the suspects were using stolen credit card information in attempts to put money onto usable gift cards.

The suspects parked across the street at a gas station and a vehicle description is not available at this time. Photographs have been obtained from CCTV. Please let your employees know to be aware of these attempts.
