

INFORMATION

Since January 1st, 2017 almost a dozen Gaines Township residents have had property stolen from their vehicles. Numerous other vehicles have been rummaged through, but no property taken. Some of the stolen property includes prescription medications and firearms from two separate vehicles. It's a warmer weekend coming up, please be vigilant. Saturdays and Sundays are the Sheriff's Office highest call volume days.

Please:

- Lock your vehicles, especially when parked outside.
- Keep valuables out of sight.
- Close garage doors and lock service doors.
- If you have a concealed pistol license or own a firearm, **do not** leave it in your vehicle.

Thank you,

Deputy Eric Brunner
