### **PROSECUTOR'S REPOSENSE TO GRPD INCIDENT # 18-63557**

The Kent County Prosecutor's Office has received multiple calls today from concerned citizens and the media regarding an incident reported last night in the City of Grand Rapids involving allegations that an adult male urinated on a 5-year-old child. We are aware of the incident, which is still under investigation. We intend to review the case for any appropriate charges when the investigation is complete. Any reports that we have made any charging decision is false.

"The allegations are distributing, especially because they involve a child. However, we cannot make a decision until we have the final report. It is premature to say what will happen until the investigation is complete," said Kent County Prosecutor Chris Becker.
