3 RESIDENTS TESTED PRESUMPTIVE POSITIVE FOR COVID-19 IN KENT COUNTY
KENT COUNTY HEALTH DEPARTMENT WILL HOST NEWS CONFERENCE

- WHAT:** Kent County Health Department will host a news conference to provide details about presumptive positive COVID-19 cases in Kent County and discuss related actions
- WHEN:** 15 minutes following the conclusion of Governor Whitmer's planned announcement
- WHERE:** Kent County Health Department, 700 Fuller Ave., NE, Grand Rapids 49503
- WHO:** Dr. Adam London, Director, Kent County Health Department
Wayman Britt, Kent County Administrator
Mark Washington, Grand Rapids City Manager
- WHY:** Three residents of Kent County have tested presumptive positive for COVID-19 by the Michigan Department of Health and Human Services. The Kent County Health Department will provide details on actions the department and other officials are taking to track contacts and limit spread of the virus.

KCHD has been in the business of providing health services to Kent County since 1931. The Health Department is home to nearly 260 employees including public health nurses, sanitarians, health educators, technicians, public health administrators, and specialized staff at the Kent County Animal Shelter. The Health Department operates one main clinic and three satellite clinics located in Kentwood, Rockford, and Grand Rapids. To learn more about KCHD services, visit www.accesskent.com/health.
